

# **2019 ANNUAL REPORTS**

**for the  
TOWN OF BENNINGTON  
NEW HAMPSHIRE**

Monadnock [*muh-nad-nok*] – *noun*

- ✓ an isolated hill or ridge or erosion-resistant rock rising above a peneplain;
- ✓ high point, one who stands alone [Algonquin];
- ✓ the oldest continuously operating Paper Mill in the country.

What we now know as Monadnock Paper Mills was started in 1819 by the Butler family, making handmade papers from flax on the banks of the Contoocook River. In 2019, that very same business celebrated 200 years of American papermaking as the oldest continuously operating paper mill in the country. That's no small accomplishment!

Over the last 200 years, Monadnock Paper Mills has been a fixture in our community and in the paper making industry. Monadnock Paper Mills has endured economic ebbs and flows through investing in its people, investing in the environment, and investing in a quality product to provide to its diverse customer base.

Throughout its history, Monadnock Paper Mills has shifted from using flax and wood pulp to manufacture writing and blank book paper to using fiber based products and renewable alternatives to manufacture sustainable packaging, retail gift cards, signage, wine label stock, papers made from shredded coffee bean bags, and numerous other specialty products.

As Monadnock Paper Mills celebrates their 200<sup>th</sup> year in business, we take pride in congratulating our neighbors on this significant achievement, and look forward to their continued success for generations to come.

2020  
WARRANT

The inhabitants of the Town of Bennington in the County of Hillsborough in the state of New Hampshire qualified to vote in Town affairs are hereby notified that the two phases of the Annual Town Meeting will be held as follows:

Date: February 5, 2020 (Snow date February 7, 2020)  
Time: 7:00 p.m.  
Location: Pierce Elementary School - In the Library  
Details: 19 Main Street

Date: March 10, 2020  
Time: 8:00 a.m. to 7:00 p.m.  
Location: Pierce Elementary School - Multi Purpose Room  
Details: 19 Main Street

We certify and attest that on or before January 27, 2020, a true and attested copy of this document was posted at the place of meeting and at Bennington Town Hall and that an original was delivered to the Town Clerk.

[illegible]

**Article 01 To choose all necessary Town Officers for the year**  
To choose all necessary Town Officers for the year ensuing.

**Article 02 Zoning Ordinance amendment**

Are you in favor of amending the Zoning Ordinance to reflect grammatical revisions as stated in "Draft 3 - Sam Cohen 9/13/19"? All proposed grammatical revisions are included within the full text of the Zoning Ordinance as attached.

**Article 03 Solar Exemption**

Shall the town adopt the provisions of RSA 72:61-64 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with solar energy systems intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100 % of the assessed value of qualifying solar energy system equipment under these statutes. (Majority vote required)

**Article 04 Operating Budget**

Shall the Town of Bennington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling one million, eight hundred eighteen thousand, two hundred seventy three dollars (\$1,818,273)? Should this article be defeated, the default budget shall be one million, eight hundred fifteen thousand, four hundred thirty eight dollars (\$1,815,438), which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

**Article 05 Fire Truck Capital Reserve Fund**

Shall the Town raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be added to the Fire Truck Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

**Article 06 Rescue Vehicle CRF**

Shall the Town raise and appropriate the sum of two thousand five hundred dollars (\$2,500) to be added to the Rescue Vehicle Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

**Article 07 Police Cruiser Capital Reserve Fund**

Shall the Town raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Police Cruiser Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

**Article 08 Highway Heavy Equipment Capital Reserve Fund**

Shall the Town raise and appropriate the sum of forty thousand dollars (\$40,000) to be added to the Highway Heavy Equipment Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

---

**Article 09 Mower Capital Reserve Fund**

Shall the Town raise and appropriate the sum of one thousand dollars (\$1,000) to be added to the Mower Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

---

**Article 10 Town Buildings Expendable Trust Fund**

Shall the Town raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be added to the Town Buildings Expendable Trust Fund previously established?  
Recommended by the Selectmen and Budget Committee

---

**Article 11 Dodge Memorial Library Capital Reserve Fund**

Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Dodge Memorial Library Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

---

**Article 12 Road Rehabilitation Capital Reserve Fund**

Shall the Town raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be added to the Road Rehabilitation Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

---

**Article 13 Water Dept Maintenance/Repairs CRF**

Shall the Town vote to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be added to the Water Department Maintenance & Repairs Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

---

**Article 14 Sidewalk Capital Reserve Fund**

Shall the Town vote to raise and appropriate the sum of one thousand dollars (\$1,000) to be added to the Sidewalk Capital Reserve Fund previously established?  
Recommended by Selectmen and Budget Committee.

---

**Article 15 Bridge Maintenance Expendable Trust Fund**

Shall the Town raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Bridge Maintenance Expendable Trust Fund?  
Recommended by the Selectmen and Budget Committee

---

**Article 16 Fire Department SCBA Capital Reserve Fund**

Shall the Town raise and appropriate the sum of two thousand dollars (\$2,000) to be added to the Fire Department Breathing Apparatus Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

---

**Article 17 Fire Dept Protective Gear Capital Reserve Fu**

Shall the Town raise and appropriate the sum of six thousand dollars (\$6,000) to be added to the Fire Department Protective Gear Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

**Article 18 Revaluation CRF**

Shall the Town raise and appropriate the sum of twelve thousand dollars (\$12,000) to be added to the Revaluation Capital Reserve Fund previously established?  
Recommended by the Selectmen and Budget Committee

**Article 19 Deferred Road Maintenance**

Shall the Town raise and appropriate the sum of forty five thousand dollars (\$45,000) to provide additional Highway Department funds to address deferred road maintenance?  
Recommended by the Selectmen and Budget Committee

**Article 20 Timber Sales to Conservation Fund**

Shall the Town raise and appropriate the amount of twelve thousand seventy-two dollars (\$12,072) from unassigned fund balance to be deposited in the Conservation Commission Fund, said amount representing 50 of the income derived from Timber Tax revenue in the preceding year?  
Recommended by the Conservation Commission

**Article 21 Gravel Sales to Conservation Fund**

Shall the Town raise and appropriate the amount of four hundred sixty one dollars (\$461) from unassigned fund balance to be deposited in the Conservation Commission Fund, said amount representing 50% of the income derived from excavation tax revenue in the preceding year?  
Recommended by the Conservation Commission

**Article 22 End 68 Hours of Hunger**

Shall the Town raise and appropriate the sum of one thousand dollars (\$1,000) in support of "End 68 Hours of Hunger" - a nonprofit regional organization?  
Recommended by the Selectmen and Budget Committee

**Article 23 The Grapevine & Family Resource Center**

Shall the Town raise and appropriate the sum of six thousand dollars (\$6,000) in support of The Grapevine Family & Community Resource Center - a nonprofit organization? The appropriation would provide \$4,000 funding for The Grapevine Family & Resource Center and \$2,000 funding for The Teen Center's programs and services.  
Recommended by the Selectmen and Budget Committee

**Article 24 Community Volunteer Transportation Company**

Shall the Town raise and appropriate the sum of five hundred dollars (\$500) in support of the Community Volunteer Transportation Company - a nonprofit organization?  
Recommended by the Selectmen and Budget Committee

**Article 25 Court Appointed Special Advocates**

Shall the Town raise and appropriate the sum of one thousand dollars (\$1,000) in support of the Court Appointed Special Advocates (CASA) - a nonprofit organization?  
Recommended by the Selectmen and Budget Committee

---

**Article 26      Child Advocacy Center**

Shall the Town raise and appropriate the sum of eleven hundred dollars (\$1,100) in support of the Child Advocacy Center of Hillsborough County (CAC) - a nonprofit organization?  
Recommended by the Selectmen and Budget Committee

---

**Article 27      Contoocook Housing Trust**

Shall the Town raise and appropriate the sum of three hundred dollars (\$300) in support of the Contoocook Housing Trust - a nonprofit organization?  
Recommended by the Selectmen and Budget Committee.

---

**Article 28      American Red Cross**

Shall the Town raise and appropriate the sum of seven hundred dollars (\$700) in support of the American Red Cross - a nonprofit organization?  
Recommended by the Selectmen and Budget Committee

---

**Article 29      Hundred Nights Shelter**

To see if the town will vote to raise and appropriate the sum of one hundred dollars (\$100) in support of Hundred Nights Shelter - a nonprofit organization?  
Recommended by the Selectmen and Budget Committee

## Proposed Budget

## Default Budget of the Municipality

# Bennington

For the period beginning January 1, 2020 and ending December 31, 2020

*RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.*

**TOWN OF BENNINGTON, NEW HAMPSHIRE  
MINUTES OF THE FEBRUARY 5, 2019 TOWN MEETING  
DELIBERATIVE SESSION-SESSION 1  
AND  
MARCH 12, 2019 TOWN ELECTION RESULTS-SESSION 2**

Session 1 of the 2019 Bennington Town Meeting convened on February 5, 2019 at the Pierce School Library in Bennington New Hampshire. John J. Cronin III, the Town Moderator called the meeting to order at 7 p.m.

The meeting was opened with the reciting of the Pledge of Allegiance. The Moderator, as mandated under Senate Bill 2, which the Town of Bennington adopted on March 12, 1996, briefly explained the procedures and rules of conduct for the Deliberative Session. Each warrant article will be read and discussed and any amendments proposed from the floor must be submitted in writing to the Moderator. It was noted that the articles will be heard out of order hearing article # 22 first.

**All voting on the Warrant Articles, Town and School District Officials, and the Conval School District Warrant Articles will be voted on at the polls on March 12, 2019 at Pierce School in Bennington, New Hampshire. The polls will be open from 8:00 a.m. to 7:00 p.m.**

To the inhabitants of the Town of Bennington in the County of Hillsborough in the State of New Hampshire qualified to vote in town affairs are hereby notified and warned that the two phases of the Annual Town Meeting will be held as follows:

First Session of Annual Meeting (Deliberative Session):

Date: February 5, 2019

Time: 7:00 p.m.

Location: Pierce Elementary School Library

Details: 19 Main Street

Second Session of Annual Meeting (Official Ballot Voting)

Date: March 12, 2019

Time: 8:00 a.m. to 7:00 p.m.

Location: Pierce Elementary School

Details: 19 Main Street

Note: The casting of absentee ballots will begin at 2:00 p.m. The polls will close at 7:00 p.m.

1. To choose all necessary Town Officers for the year ensuing.

Selectman (3 years)	David P. Hardwick Sr.
Town Clerk (3 years)	Debra Belcher
Library Trustee (3 years)	Jill Wilmoth
Cemetery Trustee (3 years)	Karen Belcher
Planning Board (3 years)	David McKenzie
Planning Board (3 years)	Luke Hardwick
Trustee of Trust Funds (3 years)	David Parker
Water and Sewer Commissioner (3 years)	Dennis McKenney
Zoning Board of Adjustment (3 years)	Melissa M. Clark

When the polls opened at 8:00 a.m., the Voter Checklist contained 1091 registered voters. During Election Day, 7 new voters were added to the checklist. When the polls closed at 7:00 p.m., the Voters Checklist contained 1098 voters. A total of 254 voters cast their ballots in this election, which was a 23% voter turnout.

---

The Deliberative Town Meeting, Session 1 was attended by 20 registered voters

The Moderator initiated the following articles:

22. Shall the Town raise and appropriate the sum of six thousand dollars (\$6,000) in support of The Grapevine Family & Community Resource Center – a nonprofit organization? The appropriation would provide \$4,000 funding for The Grapevine Family & Resource Center and \$2,000 funding for The Teen Center's programs and services.

Note: Melissa Gallagher, Director of The Grapevine spoke to the article noting the many services provided by The Grapevine. No amendments were introduced and the article was accepted as written.

2019 RESULTS:        YES- 192        NO- 60  
THE ARTICLE PASSED

2. Shall the Town of Bennington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by cote of the first session, for the purposes set forth therein, totaling one million, seven hundred forty five thousand, seven hundred seventy three dollars (\$1,745,773)? Should this article be defeated, the default budget shall be one million, seven hundred, forty three thousand, five hundred five dollars (\$1,743,505), which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Note: Selectman Cleary addressed the article noting that the assessing issue has been corrected. Administrator Kristie LaPlante stated the assessing firm will be assessing

Monadnock Paper Mill and utilities for \$3250. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES-179 NO-67  
THE ARTICLE PASSED

- 3 Shall the Town vote to accept a gift of a 1.9 acre parcel of land from Cold Springs Land Trust, located on Main Street and identified as Map 7, Lot 18 for the development of parking to benefit the Congregational Church, GEP Dodge Library, and other public functions? Among the restrictive covenants will be a provision for the Bennington Historical Society to erect a gazebo at no cost to the Town, no additional structures (other than the gazebo), and to preserve a location for a Christmas tree subject to regulations by the Town and not to the exclusion of any other religion.

Note: Selectman Cleary spoke to the article noting that the property is being given as a gift to the Town with a restrictive covenant on the property. Several citizens in attendance voiced their concern about the restrictions and how this property could be used for the purpose of the Town in the future. There was also concern expressed regarding the Town's obligations and liability. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 231 NO- 19  
THE ARTICLE PASSED

4. Shall the Town of Bennington raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be added to the Fire Truck Capital Reserve Fund previously established?

Note: Selectman Cleary spoke to the article noting that the price of new equipment has increased. The Town will not be purchasing a new truck at this time. The Department will look into leasing or buying used when it is time to upgrade. There is currently \$295,616 in the fund. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 196 NO- 55  
THE ARTICLE PASSED

5. Shall the Town raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Police Cruiser Capital Reserve Fund previously established?

Note: Selectman Cleary spoke to the article noting that the police cruiser is scheduled to be replaced in 2020. There is currently \$35,601 in the fund. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 186 NO- 65  
THE ARTICLE PASSED

6. Shall the Town raise and appropriate the sum of one thousand dollars (\$1,000) to be added to the Sidewalk Capital Reserve Fund previously established?

Note: Selectmen Cleary spoke to the article noting the fund for maintenance of the sidewalks has not been added to in the past few years. There is a section of sidewalk near the Historical Society that was not done during the initial phase. There is currently \$9 in the fund. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 181 NO-70

7. Shall the Town raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be added to the Water Department Maintenance & Repairs Capital Reserve Fund previously established?

Note: Selectmen Cleary spoke to the article noting due to the age of the system, there are repairs that will be needed in the future. The Selectmen invited Dave Beck to talk to this article. Dave Beck noted that due to information gained from the Asset Management system, expenses such as meters and leaks have been noted. It was asked if user fees come in as revenue. It is not self-sustaining. The rates were evaluated 10 years ago, but it would be expensive to replace the infrastructure. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES-199 NO-47

8. Shall the Town raise and appropriate the sum of fifteen thousand (\$15,000) to be added to the Road Rehabilitation Capital Reserve Fund previously established?

Note: Selectmen Cleary spoke to the article noting that there is currently \$55,506 in the fund. The plan is to use the fund in 2019 for Onset Rd and in 2020 for Durgin Rd and Merrill Drive. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 205 NO- 44  
THE ARTICLE PASSED

9. Shall the Town raise and appropriate the sum of one thousand dollars (\$1,000) to be added to the Mower Capital Reserve Fund previously established?

Note: Selectman Cleary spoke to the article noting that there currently is \$7,059 in the fund. At this time a new purchase has not been set, but it is on the ten-year plan. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 180 NO- 68  
THE ARTICLE PASSED

10. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Dodge Memorial Library Capital Reserve Fund previously established?

Note: Selectman Cleary spoke to the article noting that this is the normal appropriation. The current amount in the fund is \$54,035. Librarian Leslie MacGregor noted that there may be roof repairs needed this year. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 185 NO-63  
THE ARTICLE PASSED

11. Shall the Town raise and appropriate the sum of two thousand dollars (\$2,000) to be added to the Fire Department Breathing Apparatus Capital Reserve Fund previously established?

Note: Selectman Cleary spoke to the article noting that there is \$37,288 in the fund. Fire Chief David Foster noted that the SCBAs have a ten year shelf life and that the plan continues to be to replace 2 a year. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 209 NO- 42  
THE ARTICLE PASSED

12. Shall the Town raise and appropriate the sum of five thousand seven hundred dollars (\$5,700) to be added to the Fire Department Protective Gear Capital Reserve Fund previously established?

Note: Selectman Cleary spoke to the article noting that this is an annual article. There is currently \$6,175 in the fund. Fire Chief David Foster noted that the Department is replacing 2 sets of gear per year proactively. When the old gear goes out of service, it can be used for training gear. The Department is asking for these funds through a warrant article instead of through their budget because if the funds if placed in the budget were not spent during the year, it would be lost. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 213 NO- 38  
THE ARTICLE PASSED

13. Shall the Town raise and appropriate the sum of thirty thousand dollars (\$30,000) to be added to the Town Buildings Expendable Trust Fund previously established?

Note: Selectman Cleary spoke to the article noting that there is currently \$106,000 in the fund. Water damage has occurred in the Town Hall as the last roofing job was not done properly and the copula was damaged. Kristie LaPlante noted that the roof was last shingled in 2000 with 50-year shingles. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 161 NO- 86  
THE ARTICLE PASSED

14. Shall the Town raise and appropriate the sum of thirty seven thousand dollars (\$37,000) to be added to the Highway Heavy Equipment Capital Reserve Fund previously established?

Note: Selectman Cleary spoke to the article noting that there is currently \$135,398 in the fund. It was noted that there was a fire in a piece of equipment that is being reviewed by the insurance company. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 176 NO- 71  
THE ARTICLE PASSED

15. Shall the Town raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Bridge Maintenance Expendable Trust Fund?

Note: Selectman Cleary spoke to the article noting there is currently \$52,760 in the fund. A public meeting was held with the State in regards to a project to replace the bridge on South Bennington Rd. It was also noted that the bridge near the Paper Mill is red listed. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 202 NO- 45  
THE ARTICLE PASSED

16. To see if the Town will vote to change the purpose of the existing Rescue Chassis Capital Reserve Fund to the Rescue Vehicle Capital Reserve Fund and to authorize the Selectmen as agents to expend from this Fund. (2/3 vote required).

Note: Selectman Cleary spoke to the article noting that a 2/3 majority vote is required for the article to pass. This article would change the wording to create a broader usage of the fund. This warrant article failed last year. No amendments were introduced and the amendment was accepted as written.

2019 RESULTS: YES- 193 NO-53  
THE ARTICLE PASSED

17. Shall the Town raise and appropriate the sum of forty five thousand dollars (\$45,000) to provide additional Highway Department funds to address deferred road maintenance?

Note: Selectman Cleary spoke to the article noting that the Town roads are in rough shape. Joseph MacGregor asked how this article was different than article #8. Administrator Kristie LaPlante responded that the wording in this article is more open ended and could be used for any Town roads. She noted that the money was split between the two articles in case one failed to pass. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 181 NO-64  
THE ARTICLE PASSED

18. Shall the Town vote to raise and appropriate the sum of thirty thousand dollars (\$30,000) to develop a Sewer Asset Management Plan for the wastewater planning, and to authorize the issuance of not more than \$30,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; said borrowing to be from NH DES Clean Water State Revolving Fund of which 100% of the principal is to be forgiven (3/5 vote required).

Note: Selectmen Cleary spoke to the article noting that a 3/5 vote is required for this article to pass. David Beck was asked to speak; he noted that the development of a sewer asset management plan is part of the master plan for water and sewer. The portion of money DES would supply is a forgiveness loan. Leslie MacGregor asked if this article was contingent on both towns getting 3/5 vote, it does not. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES-158 NO- 83  
THE ARTICLE PASSED

19. Shall the Town raise and appropriate the amount of eight thousand two hundred three dollars (\$8,203) from unassigned fund balance to be deposited in the Conservation Commission Fund, said amount representing 50% of the income derived from timber tax revenue in the preceding year?

Note: Selectman Cleary spoke to the article noting that the money has already been collected from timber tax and is calculated from the previous year to be added to the Conservation Commission Fund. Conservation Commissioner Joseph MacGregor shared that the money is a way for the Conservation Commission to have funds available for land purchase or to act upon properties that may be key to protecting the Town's natural resources. No amendments were introduced and the article was accepted as written.

2019 RESULTS: 184 NO- 64  
THE ARTICLE PASSED

20. Shall the Town raise and appropriate the amount of five hundred eight dollars (\$508) from unassigned fund balance to be deposited in the Conservation Commission Fund, said amount representing 50% of the income derived from excavation tax revenue in the preceding year?

Note: Selectman Cleary spoke to the article noting that this article has the same intent as the previous article. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 182 NO- 67

## THE ARTICLE PASSED

21. Shall the Town raise and appropriate the sum of one thousand dollars (\$1,000) in support of "End 68 Hours of Hunger" - a nonprofit regional organization?

Note: Selectman Cleary spoke to the article noting that this is a nonprofit organization that provides food assistance for ConVal area students. The organization serves food to over 180 students weekly. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 197 NO- 54  
THE ARTICLE PASSED

23. Shall the Town raise and appropriate the sum of seven hundred dollars (\$700) in support of the American Red Cross - a nonprofit organization?

Note: Selectman Cleary spoke to the article noting that the Town has supported the Red Cross for many years. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 195 NO- 55  
THE ARTICLE PASSED

24. Shall the Town raise and appropriate the sum of five hundred dollars (\$500) in support of the Contoocook Valley Transportation Company - a nonprofit organization?

Note: Selectman Cleary spoke to the article noting that this is a nonprofit organization that makes a significant difference in the quality of life for the citizens it serves. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 193 NO- 58  
THE ARTICLE PASSED

25. Shall the Town raise and appropriate the sum of five hundred dollars (\$500) in support of the Court Appointed Special Advocates - a nonprofit organization.

Note: Selectman Cleary asked Moderator, John Cronin III to speak to the article. CASA is a valuable voice for children in the court. Debra Belcher spoke in support of this amazing organization and shared a personal account of how this organization has supported her grandchild. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 190 NO- 59  
THE ARTICLE PASSED

26. Shall the Town raise and appropriate the sum of three hundred dollars (\$300) in support of the Contoocook Housing Trust - a nonprofit organization?

Note: Selectman Cleary introduced the article. Administrator Kristie LaPlante noted that this nonprofit organization offers income based rentals and the money will help to offset administrative cost to run the program. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 178 NO- 71  
THE ARTICLE PASSED

27. Shall the Town raise and appropriate the sum of one thousand dollars (\$1000) in support of the Child Advocacy Center of Hillsborough County - a nonprofit organization?

Note: Selectman Cleary introduced this article. Administrator Kristie LaPlante noted that the article was increased by \$400 from last year. The police department is mandated by the Attorney General to use the Child Advocacy Center. This organization served 8 child victims in Bennington in 2018. Moderator, John Cronin III noted that the Child Advocacy Center is a safe place for people to go with their children. They work with CASA and are an essential service. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 187 NO- 43  
THE ARTICLE PASSED

28. Shall the Town vote, in accordance with RSA 261:157-a, to adopt an ordinance waiving the fee to be charged for a permit to register one motor vehicle owned by any person who was captured and incarcerated for 30 days or more while serving in a qualifying war or armed conflict as defined in RSA 72:28, V, and who was honorably discharged, provided the person has provided the Town Clerk with satisfactory proof of these circumstances.

Note: Selectman Cleary asked Town Clerk Debra Belcher to speak to the article. This article is a housekeeping article. No amendments were introduced and the article was accepted as written.

2019 RESULTS: YES- 185 NO- 42  
THE ARTICLE PASSED

In new business it was noted that the School District Deliberative session would be held the following evening on February 6, 2019. Moderator John Cronin III thanked Denise French for her years of service.

As there was no other business at hand, Joseph MacGregor made a motion to adjourn the meeting and all were in favor. The meeting was adjourned at 8:18 p.m.

Respectfully Submitted by

Debra Belcher  
Bennington Town Clerk

Report of Appropriations Actually Voted

Bennington

For the period beginning January 1, 2019 and ending December 31, 2019

Form Due Date: 20 Days after the Annual Meeting

# Bennington

## Tax Commitment Verification

### 2019 Tax Commitment Verification - RSA 76:10 II

Description	Amount
Total Property Tax Commitment	\$3,620,108
1/2% Amount	\$18,101
Acceptable High	\$3,638,209
Acceptable Low	\$3,602,007

If the amount of your total warrant varies by more than 1/2%, the MS-1 form used to calculate the tax rate might not be correct. The tax rate will need to be recalculated. Contact your assessors immediately and call us at 603.230.5090 before you issue the bills. See RSA 76:10, II

<b>Commitment Amount</b>	
Less amount for any applicable Tax Increment Financing Districts (TIF)	
<b>Net amount after TIF adjustment</b>	

**Under penalties of perjury, I verify the amount above was the 2019 commitment amount on the property tax warrant.**

--	--------------

## Requirements for Semi-Annual Billing

### Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Bennington	Total Tax Rate	Semi-Annual Tax Rate
Total 2019 Tax Rate	\$28.93	\$14.47

### Associated Villages

## Fund Balance Retention

<b>Enterprise Funds and Current Year Bonds</b>	<b>\$120,000</b>
<b>General Fund Operating Expenses</b>	<b>\$4,179,957</b>
<b>Final Overlay</b>	<b>\$9,528</b>

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

[1] The National Advisory Council on State and Local Budgeting (NACSLB), (1998), *Framework for Improved State and Local Government Budgeting: Recommended Budget Practices* (4.1), pg. 17.

[2] Government Finance Officers Association (GFOA), (2009), *Best Practice: Determining the Appropriate Level of Unrestricted Fund Balance in the General Fund*.

[3] Government Finance Officers Association (GFOA), (2011), *Best Practice: Replenishing General Fund Balance*.

### 2019 Fund Balance Retention Guidelines: Bennington

Description	Amount
<b>Current Amount Retained (9.07%)</b>	<b>\$378,917</b>
17% Retained <i>(Maximum Recommended)</i>	\$710,593
10% Retained	\$417,996
8% Retained	\$334,397
5% Retained <i>(Minimum Recommended)</i>	\$208,998

## SELECTMEN'S MESSAGE

The Selectmen would like to thank the Townspeople for their continued support and faith in our abilities to serve you this past year and in the years to come.

As required by the State of NH, the Town completed a five-year, cyclical revaluation of all properties in Town, resulting in a \$20,503,322 increase in taxable property value for 2019. The average property value increase throughout Town was 23.87%. The majority of the increase is attributable to the change in the economy and property values since the last revaluation in 2014. As a general rule of thumb, when town-wide property values increase, the tax rate decreases (because they're more value upon which to allocate costs). The increase in property values due to the revaluation resulted in a \$5.30 decrease in the total tax rate using the 2018 Tax Effort as a determining basis.

Throughout the revaluation we have heard from countless property owners who are concerned about their property taxes. For the last four years we have worked diligently to develop budgets that meet the realistic needs of our community while investing in our future in a manner that is fair for our taxpayers. From 2015 through 2018 the Town portion of the Tax Rate increased a total of \$0.18 per \$1,000 of assessed value (1.5%). During that same time period, the Conval portion of the Tax Rate increased \$1.98 per \$1,000 of assessed value (12%). To put this difference in perspective, of the taxes you currently pay, 38% pays for Town operations and 55% goes to Conval.

On a positive note, Bennington continues to benefit from the generosity of others as well as the conscientious work of Department Heads. Here are some examples of investments in our Community that have benefited our taxpayers:

- A performance stage was built at Sawyer Park with donated labor and materials
- A storage shed was built at Newhall Field with discounted labor and materials
- When our 2013 Police Cruiser experienced a catastrophic mechanical failure and needed to be replaced, Bennington resident and President/CEO of Global Public Safety, LLC, Keith Nason stepped in and secured a new cruiser within days. In addition to aiding us in acquiring a new vehicle, Keith's company up-fitted our new cruiser at a cost at least 70% below market price.
- Voters in 2019 approved a Warrant Article to accept a gift of 1.9 acres of land on Main Street from Cold Springs Land Trust. Prior to signing the property over the Town, the former owner invested in landscaping, parking features, and easements for the Town's benefit. This parcel of land now provides much needed parking space as well as a common area for Town functions.
- The Town received two significant donations from the David Glynn Trust:
  - \$75,000 for the preservation and beautification of the Civil War Monument in the center of Town
  - \$250,000 for the maintenance and beautification of Town Hall and other historical buildings in Town. Installation of an elevator and sprinkler system at Town Hall will be the first projects completed with these funds (at the request of the donor).
  - These Funds are held and invested by our Trustees of Trust Funds and are not a part of the General Fund.
- The Water/Sewer Commissioners finalized development of a Water Department Asset Management Grant made possible through a matching \$20,000 grant from NH DES.

- The Town Clerk's Office applied for and received a Grant through the NH State Library that has enabled them to conserve and microfilm two volumes of Town history and genealogical notes of the Old Society Land for the period of 1753-1842.
- The Fire Department received a grant for \$2,000 that has enabled them to purchase a Forestry Pump to replace the one the Town has been borrowing from the State of NH for several years.
- Our Cemetery Trustees negotiated a mowing and maintenance contract with a new vendor and the outcome has kept costs stable while improving the looks of our Cemeteries.

On May 4, 2019, family, friends, and community members joined to congratulate Maxwell Davie on achieving the rank of Eagle Scout with the Boy Scouts of America. Throughout Elementary, Middle, and High School Maxwell has been a subtle pillar in our Community, completing numerous Community Service projects as a Boy Scout and as a citizen. In 2018 and 2019, he planned, fundraised, built, and installed a handicap ramp at the Bennington Congregational Church, fulfilling a major need of the Church parishioners. Please join us in recognizing this outstanding accomplishment!

In October, we underwent a thorough facilities safety inspection with the NH Department of Labor. We are pleased to report that our buildings are in admirable condition and the Town received no major notices of deficiencies. Our Safety Committee is reviewing the report from the Department of Labor and is working to correct minor deficiencies that were noted.

In early 2019 our Planning and Zoning Boards held a Public Hearing to consider (and ultimately approve) a request from Bridge Street Recovery, LLC to operate the former hotel across from the Ski Area as a transitional housing facility by providing lodging services for persons in drug and alcohol recovery who have previously completed medically supervised detoxification and stabilization programs as a pre-requisite to occupancy. In late December the sale of the property was complete. We are excited to see the transformation of the property, which has been dormant for several years.

And finally, no year is complete without staffing changes. Resignations in 2019 included Dario Carrara (Building Inspector/Code Enforcement Officer), Debra Whitney (Deputy Town Clerk), Cathy McGillicuddy (Administrative Office Support), Damon Beaudreau (Highway Department Laborer), and Gary Russell (Road Agent). From within, we promoted Karen Belcher to Deputy Town Clerk, Debra Davidson to Administrative Office Support, and Matthew Blanchard to Highway Laborer. We also welcomed new faces John Kendall (Building Inspector/Code Enforcement Officer), Thomas Horne (Part-Time Police Officer), and Hazen Fisk (Road Agent).

As we look to the next year and the next decade we welcome the public's involvement in many ways – stop in to a Selectmen's meeting or a Committee meeting, volunteer on a Town Board/Committee, assist with roadside cleanup in our neighborhood, become informed and participate in our public processes, or simply be a good neighbor to those around you.

Respectfully Submitted,

James Cleary  
David Hardwick, Sr.  
Mark Mackesy

## CAPITAL RESERVE FUNDING COMMITTEE

Minutes of the Meeting - December 3, 2019

### HIGHWAY DEPARTMENT

Road Agent Hazen Fisk was in to discuss the Highway Department's needs for 2020 and beyond.

Highway Heavy Equipment – Established in 1991 for the *purchase of Highway Heavy Equipment*. The Selectmen are Agents to expend from this Fund.

In 2018, voters approved the closure of the Loader/Grader Capital Reserve Fund and the monies in that account were deposited in to this account.

Balance as of 11/01/19 - \$175,140

Assets:	1982 John Deere 444C Loader
	1989 KME Fire Pumper (to clean culverts)
	1990 Galion Grader
	2007 International 6-wheel dump truck
	2012 Cat Backhoe/Loader
	2015 Freightliner 6-wheel dump truck
	2016 Ford F350 1-ton

Appropriation History: 2015 - \$ 30,000 (Combined old Loader/Grader + Heavy Equipment)  
2016 - \$ 35,000 (Combined old Loader/Grader + Heavy Equipment)  
2017 - \$ 37,000 (Combined old Loader/Grader + Heavy Equipment)  
2018 - \$ 37,000 (now just single fund)  
2019 - \$ 37,000

2020 APPROPRIATION: \$40,000

The Road Agent reported that the Loader is nearing the end of its useful life. He has contacted two area dealerships for pricing on new and used Loaders. Because of municipal discounts, the cost of a new loader with warranty is between \$145,000 and \$150,000; the cost of a used loader ends up being more expensive because discounts aren't offered on used equipment. No decisions were made on replacing the Loader in 2020.

The Road Agent also reported that the 2007 International is currently in good condition. He proposes replacing the steel dump body with a stainless steel dump body. When the truck is replaced in the future, the Town can purchase the chassis and use the dump body on the new truck. No decisions were made for 2020.

The Capital Reserve Funding Committee voted to fund the Highway Heavy Equipment Capital Reserve Fund with \$40,000 in 2020.

Mower – Established in 1997 for the purpose of a *Highway Department/Recreation Department mower*. The Selectmen are Agents to expend from this Fund.

Balance as of 11/01/19 - \$8,203

Assets: 2013 Mower

Appropriation History: 2015 - \$ 1,000  
2016 - \$ 1,000  
2017 - \$ 1,000  
2018 - \$ 1,000  
2019 - \$1,000

2020 APPROPRIATION: \$1,000

The mower is primarily used by the Recreation Department for mowing Newhall Field. The replacement cost in 2013 was \$11,750. The Capital Reserve Funding Committee voted to fund the Mower Capital Reserve Fund with \$1,000 in 2020.

Road Rehabilitation - Established in 2009 for the *maintenance, construction, reconstruction, or repair of town streets, roads, or traveled ways*. The Selectmen are Agents to expend from this Fund.

Balance as of 11/01/19 - \$60,154

Appropriation History: 2015 - \$ 15,000  
2016 - \$ 15,000  
2017 - \$ 15,000  
2018 - \$ 15,000  
2019 - \$ 15,000

2020 APPROPRIATION: \$15,000

The Selectmen reported that in 2019 the Highway Department replaced culverts and drainage on Onset Road. The roadway was reclaimed and paved; the top binder will be paved in 2020-2021.

In 2020 the Highway Department is scheduled to improve a 1,350' portion of Durgin Road to include reclaiming the road bed, replacing drainage, replacing material, and then paving the road surface. The top binder will be paved in 2021.

The Capital Reserve Funding Committee voted to fund the Road Rehabilitation Capital Reserve Fund with \$15,000 in 2020.

## **POLICE DEPARTMENT**

Police Chief Bret Sullivan was unaware of the meeting due to a communication error from the Town Administrator.

Police Cruiser – Established in 1993 for the *purchase of a police cruiser*. The Selectmen are Agents to expend from this Fund.

Balance as of 11/01/19 – \$10,662

Assets: 2015 Ford Explorer Cruiser  
2019 Ford Explorer Cruiser

Appropriation History: 2015 - \$ 13,000  
2016 - \$ 10,000  
2017 - \$ 10,000  
2018 - \$ 10,000  
2019 - \$ 10,000

2020 APPROPRIATION: \$10,000

The 2013 Cruiser was replaced in 2019 at a cost of \$29,255 plus \$6,031 to upfit the vehicle with new safety equipment. The Selectmen and the Capital Reserve Funding Committee agreed that continuing with \$10,000 funding should allow for adequate funds when the 2015 Cruiser is replaced.

## LIBRARY

The Library Trustees submitted a written request for \$5,000 funding for 2020.

Dodge Memorial Library – Established in 1994 and amended in 2003 for *the repair or replacement of Library equipment and for making renovations and improvements to the GEP Dodge Library*. The Library Trustees are Agents to expend from this Fund.

Balance as of 11/01/19 - \$56,851

Appropriation History: 2015 - \$ 5,000  
2016 - \$ 5,000  
2017 - \$ 5,000  
2018 - \$ 5,000  
2019 - \$ 5,000

2020 APPROPRIATION: \$5,000

In 2019 the Library used the Capital Reserve Fund for installing a new Fire and Security Alarm system. Other improvements for 2019 include electrical work required as part of the Joint Loss Management Committee and Department of Labor building inspections. The Capital Reserve Funding Committee agreed with the request submitted by the Library Trustees to fund \$5,000 in 2020.

## INFRASTRUCTURE

Bridge Maintenance Expendable Trust Fund – Established in 1997 for the *purpose of construction or reconstruction of town bridges*. The Selectmen are Agents to expend from this Fund after a Public Hearing.

In 2018, voters approved the closure of the Bridge Replacement Capital Reserve Fund and the monies in that account were deposited in to this account.

Balance as of 11/01/19 – \$63,829

Appropriation History: 2015 - \$ 0  
2016 - \$ 0  
2017 - \$ 0  
2018 - \$ 0  
2019 - \$10,000

2020 APPROPRIATION:\$10,000

The Town owns four bridges: the box culvert bridge just south of the trestle on Antrim Road (the canal that goes under Antrim Road and in to the Monadnock Paper Mill), the bridge over the Monadnock Paper Mill tail race, the bridge at Antrim Road and Route 202, and the bridge located near 140 South Bennington Road. The bridge at North Bennington Road and Bible Hill Road is shared with the Town of Antrim.

In late 2017, the Town received notice from NH DOT that the box culvert bridge on Antrim Road just south of the trestle is on red list status. This bridge provides water to the Paper Mill from the river. Town officials met with Monadnock Paper Mill officials in early 2018 to better understand the importance of this bridge and their operations and then met again in the summer of 2019 to do a visual inspection of the box culvert during the Mill's shut down. Based on information learned during those two meetings and remedial options available, the Capital Reserve Funding Committee voted \$10,000 funding for 2020.

Sidewalk Repair – Established in 2002 for *replacing the Town's sidewalks*. The Selectmen are Agents to expend from this Fund.

Balance as of 11/01/19 – \$1,009

Assets: Downtown sidewalk project – 2007  
Downtown sidewalk project - 2015

Appropriation History: 2015 - \$ 0  
2016 - \$ 0  
2017 - \$ 0  
2018 - \$ 0  
2019 - \$1,000

2020 APPROPRIATION:\$ 1,000

The last of the Grant-Funded sidewalk replacement projects was completed in 2015 and there are no current sidewalk replacement plans in place. There is a need to repair or replace the remaining sidewalk not covered by the Grant projects between 46 Antrim Road and 54 Antrim Road, however, no tangible plans are in place. The Capital Reserve Funding Committee agreed that adding \$1,000 to this Fund should achieve future funding needs.

Town Buildings Expendable Trust Fund – Established in 1999 for the purpose of *repairing, maintaining, and improving Town buildings*. The Selectmen are Agents to expend from this Fund after a Public Hearing.

Balance as of 11/01/19 - \$138,439

Assets: Town Hall, VFW, Fire Station, Highway Garage, Transfer Station, Water Pump House, Sewer Pump House, buildings at Newhall Field (two dug outs, "Colonel's Perch", Storage Buildings)

Appropriation History: 2015 - \$ 15,000  
2016 - \$ 15,000  
2017 - \$ 20,000  
2018 - \$ 33,000  
2019 - \$ 30,000

2020 APPROPRIATION: \$25,000

The Selectmen discussed the need to make repairs to the Town Hall Roof and to begin improvements at the VFW. In 2019 the Town received funds from the David Glynn Trust to be used for repairs to Town Buildings; the Trust has specified that installation of an elevator and sprinkler system are the first priority use of the funds. Because the Selectmen have a Trust for future use, the Capital Reserve Funding Committee voted \$25,000 funding for 2020.

## OTHER

Revaluation – Established in 2002 for revaluation costs. The Selectmen are Agents to expend from this Fund.

Balance as of 11/01/19 - \$4,154

Appropriation History: 2015 - \$ 0  
2016 - \$ 12,000  
2017 - \$ 12,000  
2018 - \$ 12,000  
2019 - \$ 0

2020 APPROPRIATION: \$12,000

The Town underwent a full Revaluation in 2019 at a cost of \$52,000. The Capital Reserve Funding Committee voted to appropriate \$12,000 to establish funding for the next Revaluation in 2024.

## WATER DEPARTMENT

Water Commissioners David Beck and Richard Reed met with the Capital Reserve Funding Committee.

Water Department Maintenance & Repairs – Established in 1993 and amended in 2018 for *Water Department maintenance and repairs*. The Selectmen are Agents to expend from this Fund.

Balance as of 11/01/19 - \$42,442

Assets: Hydrants, mains, valves, water tank, pump house

Appropriation History: 2015 - \$ 15,000  
2016 - \$ 20,500  
2017 - \$ 20,500  
2018 - \$ 0

2019 - \$ 25,000

2020 APPROPRIATION: \$ 25,000

No monies have been spent from this Capital Reserve Fund as of the December 3<sup>rd</sup> Capital Reserve Funding Committee meeting. However, \$4,690 will be requested from the Fund to cover the 2019 Well Maintenance.

The Water Commissioners and Capital Reserve Funding Committee discussed the need to begin setting funds aside for future sewer repairs or improvements. The Town Administrator was requested to contact Town Council to inquire if the Department of Revenue might allow voters to change the use of the Water Department Maintenance and Repairs Capital Reserve Fund to allow for sewer repairs and maintenance. If adding Sewer to the existing Fund is not recommended then the group will discuss establishing a Sewer Capital Reserve account in 2021.

The Capital Reserve Funding Committee voted to fund the Water Department Maintenance and Repairs Capital Reserve Fund with \$25,000 in 2020.

## **FIRE DEPARTMENT**

Fire Chief David Foster and Assistant Fire Chief Keith Nason met with the Capital Reserve Funding Committee to discuss the four Fire Department Capital Reserve Funds.

Fire Trucks – Established in 1990 for the *purchase of a replacement fire truck*. The Selectmen are Agents to expend from this Fund.

Balance as of 11/01/19 - \$326,602

Assets:                      1996 Ford Brush Truck  
                                    1998 International Tanker  
                                    2005 International Fire Engine

Appropriation History: 2015 - \$ 20,000  
                                    2016 - \$ 20,000  
                                    2017 - \$ 20,000  
                                    2018 - \$ 20,000  
                                    2019 - \$ 25,000

2020 APPROPRIATION:              \$25,000

Based on prior years' discussions, the 1998 International Tanker would be due for replacement in 2018. There was consensus that the Tanker is in good condition and there is no need for it to be replaced at this time. The Chiefs, however, would like to replace the 2005 International Fire Engine in 2025 due to ongoing mechanical issues and design flaws. In addition, the Chiefs reported that new NFPA and Insurance requirements will require the first due apparatus to be no older than 20 years old; because the Engine is considered the first due piece of apparatus, it will need to be replaced by 2025.

The Chiefs reported that they have researched the cost for new and used apparatus. A new fire truck is currently estimated to cost \$495,000; used apparatus cost about 20% less.

The Capital Reserve Funding Committee voted \$25,000 funding for 2020 to ensure adequate funds for apparatus replacement in 2025.

Rescue Vehicle – Established in 1992 for the *purchase of a Rescue vehicle chassis*. The Selectmen are Agents to expend from this Fund. Supporting documentation and Minutes where funding was established documents the purpose of the Fund being for the purchase of the chassis only; “the present rescue box will be transferred to the new chassis.”

In 2019, voters approved changing the name and purpose of the Capital Reserve Fund to allow for the funds to be used to replace the rescue vehicle in its entirety.

Balance as of 11/01/19 - \$47,338

Assets: 2009 Ford F550 Rescue Truck

Appropriation History: 2015 - \$ 5,000  
2016 - \$ 2,500  
2017 - \$ 2,500  
2018 - \$ 0  
2019 - \$ 0

2020 APPROPRIATION: \$ 2,500

The Capital Reserve Funding Committee voted to fund the Rescue Vehicle Capital Reserve Fund with \$2,500 in 2020.

Fire Department SCBA – Established in 2010 for *Fire Department Breathing Apparatus*. The Selectmen are Agents to expend from this Fund.

Balance as of 11/01/19 – \$3,129

Assets: Self Contained Breathing Apparatus

Appropriation History: 2015 - \$ 2,500  
2016 - \$ 2,600  
2017 - \$ 2,000  
2018 - \$ 2,000  
2019 - \$ 2,000

2019 APPROPRIATION: \$2,000

In 2019 the Fire Department replaced six complete SCBA units. In 2020 the Department intends to replace four cylinders and three masks, in 2022 the Department intends to replace two cylinders, and in 2025, the Department intends to replace three complete units and one cylinder.

Because of the detailed replacement plan and future needs, the Capital Reserve Funding Committee voted \$2,000 funding for 2020.

Fire Department Protective Gear – Established in 2013 for *Fire Department Protective Gear*. The Selectmen are Agents to expend from this Fund.

Balance as of 11/01/19 – \$12,000

Assets:                      Fire Gear

Appropriation History: 2015 - \$ 5,000  
                                    2016 - \$ 5,000  
                                    2017 - \$ 5,700  
                                    2018 - \$ 5,700  
                                    2019 - \$ 5,700

2020 APPROPRIATION:    \$ 6,000

The Chiefs recently completed an overhaul of the Fire Station and disposed of several sets of spare gear due to their age. The disposal of the spare gear does not impact the replacement plan established in 2018.

The Chiefs reported that a complete set of gear costs around \$2,500. No gear was purchased in 2020. The Capital Reserve Funding Committee voted to fund the Capital Reserve Fund with \$6,000 in 2020.

Respectfully Submitted,

Kristie LaPlante  
Town Administrator

Facebook Page: GEP Dodge Library- Bennington, NH

Monday: 9-6PM, Tuesday: 12-6PM, Thursday: 12-8PM, Friday 12-5PM, Sunday: 4-6PM

The GEP Dodge Library houses a materials collection of 28,907 items that includes 3,180 DVDs, 790 sound recordings, 24 periodical subscriptions and 4 newspapers. In addition to our in-house collection, our patrons have access to a rotating DVD collection of 560 and to a STEAM collection shared among the Nubanusit Library Cooperative members. Through our online catalog and a library card, our patrons have access to the *FREE* NH Overdrive collection managed by the NH State Library that includes a digital collection of 25,757 e-books, 22,010 e-audio books and 24 e-periodicals. Our library also has an additional subscription to Tumblebooks - an online collection of 1,038 titles which includes 306 animated talking picture books, 64 nonfiction titles, 82 National Geographic videos, 121 language lessons, 125 playlists, and 278 games and puzzles. Some of the Library's much used services include free 24/7 WiFi, 3 public computers, a full color copier/scanner and a FAX machine. Through the NH State Library, our library also has subscriptions to Ancestry.com, Heritage.com, the statewide Union Catalog through Share-It, Consumer Health Complete, EbscoHost, Explora for public libraries, Explora for grades K-8 and Project Gutenberg. The Library also provides our patrons with Museum Passes. Each year we re-evaluate our museum passes and determine which to renew or which to get based on requests and use. Our current passes are for: The Currier Museum of Art in Manchester, NH, The Fells in Newbury, NH, the Mariposa Museum in Peterborough, NH, The Mount Kearsarge Indian Museum in Warner, NH, the Museum of Fine Arts in Boston, MA, the Seacoast Science Center at Odiorne State Park in Rye, NH and the Squam Lakes Natural Science Center in Ashland, NH.

At the end of 2017, the NH State Library's ancient inter-library loan system, formerly known as NHU-PAC, collapsed. At the onset of that collapse a number of libraries began to share their catalog information with each other and we were able to directly request from each other's catalogs. It was a very elegant solution that seamlessly allowed us to continue to borrow and loan at a pace that our patrons were accustomed to. Beginning in October of 2019, the NH State Library introduced a new statewide inter-library loan program and Union Catalog called *Share-It*. Now libraries throughout NH can once again use a system that instantly provides access to the collections of all participating NH State public libraries, public and private schools and most NH College and University collections. Despite the disruption, we did have a very good inter-library loan year. In 2019, we loaned 1,091 items and our patrons borrowed 839.

In 2019, 1,682 patrons checked out 20,643 print, audio, and visual items from our own Library's collection. Through borrowing from the Library's physical collection and with the addition of our patrons borrowing from the digital collections, our patrons saved \$316,917.13. The GEP Dodge library's 2019 top patron borrower saved \$11,952.45 and our top five patron borrowers collectively saved \$36,483.06!

Every month the Library hosts programs, activities and various book groups for our patrons of all ages to attend. For our youngest patrons we have a weekly story time, for our elementary aged patrons we have a monthly after school craft and story time program called *Eager Readers*, for our upper elementary and middle school aged patrons we have the monthly *Great*

*Stone Face Book Group*, and there has been a Library sponsored adult book group for over 20 years. The Library also arranges for multiple copy inter-library loans for other independently run patron book groups. Once a month the Library sponsors a program called *GEP Talks*- a program of topical interest. 2019's GEP Talks programs included How To Organize Your Pinterest Boards, by Melissa Searles, a Titanic specialist, a professional beekeeper, an expert on New England Coyotes, a Vibraphonist, a Russian cultural expert, two programs by Jon Manley- one on climate and weather another on the Cassini probe and Jupiter, The Contoocook Valley River Committee- conversation about plastics in our rivers, Kristie LaPlante's Q & A on town topics and Michelle Stahl led us on an historic walk through downtown Bennington and a talk on New England cemetery headstone designs.

The Library also held Story Walks, scavenger hunts, guessing games, STEAM activities, (Legos, Snap Circuits), craft projects, various weekly, monthly and holiday programs and activities and visits from Pierce School students.

The Library does not have its own meeting space and to provide programming for our patrons, our options are, in good weather, outside under our pergola and at *Newhall Field*. We are very grateful for all the many times that the *Bennington Historical Society* and the *Bennington Congregational Church* and very particularly, Sandy Cleary, have provided the Library with indoor space for the programs and meetings that we have arranged. Their generosity has been incredible! The Town has also provided the Library with space at the VFW Hall and the upstairs at the Town Hall.

Our goal is to eventually raise enough money to create a larger library footprint that would include an accessible community meeting space for Library and Town programs, meetings and activities. To reach that goal, the Library continuously tries to raise funds. One of our more popular fundraisers has been the annual educational wine tastings generously hosted for three years by Peter and Molly Eppig. A few years ago, the Rhubarb Festival was established by the Library Trustees to help raise funds for the Library's building effort and to highlight the Library's need for more space. The festival has now become an enjoyable annual community-wide festivity. The Library participated in the 2019 Rhubarb Festival, now held at Sawyer Field, by having a bake & book sale and kicking off the Library's annual quilt raffle to raise money for the Library's building campaign. The beautiful handmade quilt was anonymously gifted to the Library. The quilt raffle ran from the start of the Rhubarb Festival in June through mid-November. This year's quilt was won by former Library Trustee and current Friend of the Library Chair; Laurie MacKeigan.

The 2019 Summer Reading Program was an out of this world space/universe themed program entitled '*A Universe of Stories*'. The program kick-off was held at Pierce School with a concert by Rick Araldi, a well-known New England Vibraphonist. There was a twice weekly summer reading program story time hosted by volunteer story time readers: Jill Wilmoth, Jeannette Regis, Meredith Lyons, Laurie MacKeigan, Molly Eppig, Kristie LaPlante, Pam Lorimer and Claudia Sysyn. Each of the readers also provided a wonderful reading program themed craft activity for all who attended. We also had two movie matinees, twice weekly story times, two field trips - one to the Mount Washington Cog Rail and one to Squam Lake Science Center - a Bike Rodeo, games, programs, ongoing in-house reading challenges, quizzes, craft activities and our very popular trivia night emceed by the Town's Moderator- John Cronin. We also had our annual summer Bike Rodeo organized by Joe MacGregor who created and set-up the course and inspected the bikes, Sergeant Jason Lepine who checked the bikers for helmet fit and instructed them on biking road rules, and the Newhall Field Board for providing the perfect venue.

Each year, Masons, Jon Manley and Arthur Dunham, from the Benevolent Lodge #7, Milford, NH and Pacific Lodge #45, Frankestown, NH, donate a bike and a helmet through the Mason's *Masonic Bikes for Books* program. Their goal is to encourage young readers by providing incentive to read over the summer. Congratulations to this year's bike winner, Connor MacFarlane.

Besides spending time serving as Library Trustees, Jill Wilmoth, Molly Eppig, Jeannette Regis and David McKenzie have spent a great deal of extra-curricular time volunteering and fundraising for our Library. Thank you to all of our generous patron citizens, of all ages, who, throughout the year, and year after year, help us in so many ways to keep the Library vibrant and running with their support and good cheer! Thank you for the exceptional support from Joe MacGregor, Dwayne Searles, Mike Munhall, Sandy Cleary, Jon & Robyn Manley, Chris Tarrio, Chris Maple, Peter Eppig, Robert Gross, Laurie MacKeigan, Colleen Allen, Bethany & Jim Craig, Deb & Rich Page, John & RoAnne Cronin, Debi Belcher & Family, Joey Hodgen, Betty Coffin Brooks, Linda Delay, and the Town of Bennington.

***"When in doubt go to the library"***

Service Charges	\$ 3.00
Stamps	<u>\$ 110.00</u>

TOTAL EXPENSES \$4,459.25

ENDING BALANCE December 31, 2019 \$7,883.69

## **POLICE DEPARTMENT**

As always, the Bennington Police Department would like to thank the citizens of Bennington for their continued support during this very busy 2019 calendar year. The Officers of the Bennington Police Department have worked very hard this year and I would also like to recognize them and thank them for their dedication and professionalism to the Town of Bennington.

This year, Officer Zach Letourneau resigned as a Part Time Officer with the Bennington Police Department to pursue a full time job opportunity in the private sector. We wish him all the best in his new career. We also added a new Part Time Officer to the roster, Officer Thomas Horne. Officer Horne is a full time Sergeant with the Hancock Police Department, comes to us with eight years of Law Enforcement experience, and has a passion for the communities he services. Feel free to say hi if you see him on Patrol!

In 2019, the Bennington Police Department responded to over 2,700 calls for services resulting in an almost 10 percent rise in incidents from 2018, as well as a 30 percent rise in arrests and 15 percent decline in motor vehicle crashes compared to 2018. Motor vehicle stops were just below 2018 figures. Arrests consisted of both Misdemeanor and Felony level crimes including crimes involving serious bodily injury.

Drug and Alcohol offenses continue to be something we frequently come across. Heroin and Fentanyl are here and continue to be the foundation for other crimes such as thefts, frauds, and burglaries and we continue to see overdoses and assist other agencies with individuals who have overdosed. Officers from the Bennington Police Department also responded to multiple crashes and conducted traffic stops resulting in arrests for alcohol and drug related DWI. Incidents involving drugs and alcohol remain one of our top priorities.

This year, Officers from the Bennington Police Department responded to many calls involving suicidal subjects. Depression and suicide remain one of the top causes of death in the United States according to the CDC and it is therefore extremely important to contact us if you or someone you know is battling depression or having thoughts of suicide. Officers from the Bennington Police Department are highly trained and work closely with medical personnel to help individuals battling depression find the resources they need. You can contact the Bennington Police Department 24 hours a day at 603-588-6303.

Lastly, in March of 2019 the Bennington Police Department added a new Ford Police Cruiser to its fleet, replacing the old Ford Police Cruiser. I would like to thank Keith Nason and his company, Global Public Safety for donating thousands of dollars worth of equipment to outfit the new cruiser. I would also like to thank the Board of Selectmen for their continued support – we appreciate everything you do! As 2020 approaches, the Officers and I look forward to serving the community with professionalism and compassion.

Respectfully Submitted,

Bret Sullivan, Chief of Police

## **FIRE DEPARTMENT**

Bennington Fire and Rescue had no major changes during 2019. The Officers and overall membership saw very little change allowing for a stable year. Zack Andersen was promoted to Fire Lieutenant.

For 2019 Bennington Fire and Rescue responded to a total of 208 emergency calls – down from 230 in 2018. In 2019 we responded to 133 medical calls compared to 152 in 2018. 2019 call volume fell directly between 2017 and 2018 levels. Department members also participated in many trainings and meetings to be able to better serve the Community.

The team of Officers worked very hard this year to reduce costs and found better ways to properly serve our Community while reducing the operating budget going in to 2020. Maintaining our vehicles and equipment properly to achieve a longer life cycle is a priority along with life safety and protective items. During 2019 two more air packs were replaced using Capital Reserve Funds completing the upgrade of six units. Moving forward no other units will be replaced as we now believe that we have enough parts with old discontinued units to keep the rarely used units safe and usable if needed. This will save the Town significant money over the next fifteen years where we will only need to replace expired bottles as they arise. With the assistance of State of New Hampshire Forestry Grant Funds we were able to purchase a new forestry pump for the brush truck which will be placed in service this spring.

If you are planning to burn brush please contact the Warden or one of the Deputy Wardens for a Burn Permit or you can obtain one online at: <https://nhdflweb.sovsportsnet.net>.

Lastly, please take the time to make sure that you have large and reflective numbers on both sides of your mailbox and on your residence if your house can be seen from the road. If you live in an apartment, please also have your apartment identified as this will enable emergency services to locate your home quickly in the case of an emergency. If you need assistance, please contact either the Fire Department or the Town Office and somebody from the Fire Department will happily assist you with this important task.

The entire Fire Department membership would like to thank the residents of Bennington for their continued support of the Fire Department.

Respectfully Submitted,

Dave Foster, Fire Chief  
Matt Hall, Deputy Fire Chief  
Keith Nason, Deputy Fire Chief  
Jason Powers, Rescue Captain  
Zackary Andersen, Fire Lieutenant

## EMERGENCY MANAGEMENT

Bennington Emergency Management has had another eventful year serving the Community. Director Keith Nason, Deputy Director Kristie LaPlante and Specialist Jason Powers have spent much of the year keeping an eye on the weather and security related issues.

During 2019, the Emergency Management Team continued to work with and support the Police and Fire Departments. Continued training has focused on the Community with specialized planning and training involving Pierce School. Monthly meetings have continued with members of each agency and school faculty to provide the safest possible environment for the students and teachers of Pierce School. Many members of Bennington Fire & Rescue have refreshed their EMS in the Warm Zone Awareness and Operations training and will be completing a practical with various Law Enforcement, Fire, EMS and Dispatch personnel at Great Brook School in late February 2020.

In 2019, Emergency Management was relatively uneventful other than dealing with some weather-related issues such as the rising water in North Bennington causing North Bennington Road near the Deering town line to flood and be closed on several occasions and a few other minor issues.

Follow Bennington Emergency Management on Facebook and download the State of NH's ReadyNH app for your mobile phone. Please remember if you "See Something, Say Something".

As we continue to enhance our community involvement and education, we are encouraging anyone with comments, questions or ideas to contact us. Calls can be made to the Town Office during normal business hours or through the Police Department after hours. Email Keith at [EMD@BenningtonNHfire.com](mailto:EMD@BenningtonNHfire.com) or Kristie at [DEMD@benningtonNHfire.com](mailto:DEMD@benningtonNHfire.com).

Respectfully Submitted,

Keith Nason, EMD  
Kristie LaPlante, Deputy EMD

## HIGHWAY DEPARTMENT

The Highway Department saw two employee changes over the past year with Damon Beaudreau and Gary Russell giving their resignations. The positions were filled by Matthew Blanchard and Hazen Fisk. Matt made the transition from the Transfer Station to the Highway Department. Since joining the Department he has successfully obtained his New Hampshire CDL Class B license. His knowledge of the Town will be a great and valued asset to the Department. Hazen Fisk joined the Highway Department in November as the new Road Agent. He comes to us from the Town of Greenfield and before that the Town of New Ipswich bringing twenty years of experience to the Town of Bennington.

The Department undertook a major road reconstruction project in 2019. Onset Road was reclaimed and had extensive ditch work completed. This work also involved changing out many culverts to help with shedding water away from the road. Once this was completed Advanced Paving did a final grade on the road and put down 2 ½ inches of dense base binder, followed by completion of the shoulder work.

Basic roadway maintenance was also performed this year with gravel roads being graded and dust control being applied; culverts were also cleaned out in some troubled areas.

The Department did extensive work to the buildings and yard around the Highway Department and Transfer Station which included yard clean up, origination and consolidation of materials, and addressing electrical issues and building construction needs.

Fall brought us to the time of year where we are preparing for the winter season. Our winter sand was processed and stock piled. Trucks were outfitted with their plow frames and wing plows. Salt was purchased and stock piled. Sand/salt mix was prepared for use in snow and ice events, both as a pretreatment and after storm treatment of Town roads and parking lots as needed.

We are looking forward to the 2020 season with a lot of work being planned from preventative maintenance issues to road paving projects. Once the winter has come to an end we can better evaluate the condition of our roads and finalize 2020 maintenance plans.

In closing the Highway Department would like to thank the residents of Bennington for their support. If anyone has any questions or concerns please don't hesitate to contact me at the Highway Department. I will be more than happy to talk with you and address your concerns.

Respectfully Submitted,

Hazen Fisk  
Road Agent

## **TRANSFER STATION**

The Transfer Station has seen some changes in its personnel this year. Matt Blanchard has transferred to a full time position with the Highway Department and Tom James took over Matt's position at the Transfer Station. The Town has accepted applications for the vacant position and is working towards filling that position. We have been fortunate in that we've had three part time employees step up and fill in as needed to cover the open position. A big thank you goes to Patrick Greene, David Parker, and Bill OConnor.

This year the Transfer Station took in 342.4 tons of household waste, 39.51 tons of mixed paper, 99.80 tons of demo materials, 2.23 tons of aluminum, 2.69 tons of tin cans, 6.46 tons of plastics, and finally 48.59 tons of scrap steel.

Some needed improvements were made to the building and lighting to reduce the risk to employees and residents that use the facility. The Department purchased two 300-gallon bulk tanks to safely store waste oil. This will help reduce the cost of recycling the oil by not having to have the oil collected as frequently.

Respectfully Submitted.

Hazen Fisk III  
Transfer Station Supervisor

## **HOURS OF OPERATION**

Wednesday	1:00 p.m. - 6:00 p.m.
Saturday	10:00 a.m. - 4:00 p.m.
Sunday	10:00 a.m. – 4:00 p.m.

## CONSERVATION COMMISSION

Your Conservation Commission has had a very productive year with regular activities and special events. We are always looking for Bennington residents who are interested in the long-term preservation of the Town's resources to join the Commission. We particularly would like to encourage women and younger residents to bring their ideas to the Commission.

One of the Commission's activities this year focused on replacing trees to improve the canopy cover in the village area. Two important locations now have new trees thanks to the work of the Commission. The Commission was instrumental in replacing the Ash tree on the corner of Main Street and School Street that died in the last year. A new sugar maple was planted on the corner of the Bennington Garage that will give Main Street a new spark of color for many years to come. Commissioner Gary MacKinnon made contact with the Community Forestry Office of the New Hampshire Forestry Division of Forests and Lands which supplies trees to towns at no cost to the Town. Foresters, Cory Keeffe and AJ Dupere, planted a young Black Gum tree (also known as a Tupelo tree) at the Bennington Depot picnic area in October. This tree's 30 foot mature height will provide shade and brilliant red color to the river's shore and food to migrating birds.

In September the Commission co-sponsored the Community Supper that brought State Rep Chris Balch to Town to talk about plastics and the worldwide crisis they present. Many Town residents attended.

Another key duty of the Commission is the stewardship of the Bruce Edes Forest. We had a good turnout of Townspeople for the Annual Bruce Edes Forest Walk. In addition, in the autumn Commissioners once again guided Pierce School students on walks through the Forest along with a naturalist from the Harris Center. It is important to the Commission that all residents know of the various free natural resources available to the Townspeople.

The Commission sponsors two events each spring. The Earth Day Roadside Cleanup on the first Saturday in May was hugely successful. This year we had a banner turnout of Town residents and collected a record quantity of bags full of trash. We are also appreciative of the regular roadside cleanups that the Scouts and the Democratic Town Committee do throughout the year. The last Saturday in June the Commission held its annual Contoocook River Float to show off the beauty of our featured natural resource to residents. The number of area residents paddling the river doubled over last year to 26 people. As the Commission has done in recent years, it sponsored two Bennington middle school age students to attend a week-long camp at the Harris Center in Hancock.

Along with major actions the Commission will be continuing its regular activities into 2020. We look forward to even more people using the river and hiking various trails that make Bennington a unique place to live.

Respectfully submitted,

Val Germain  
Mike Munhall  
Conservation Commission Co-chairs

## PLANNING BOARD

In New Hampshire, the Planning Board has several functions. Its adjudicative functions include regulation of land subdivisions, review of site plans, and regulation of excavations. Legislative functions include preparation and adoption of the Master Plan and the Capital Improvement Program and recommendation of changes to the Zoning Ordinance, which take the form of proposed warrant articles for voter approval.

The Planning Board proposed no warrant articles for the 2019 Town Meeting. The Board will propose a single warrant article regarding the Zoning Ordinance for the 2020 Town Meeting. This proposed update of the Bennington Zoning Ordinance reformats (i.e., "cleans up") the document for consistency, corrects typographical errors, and makes minor language changes for clarification. It makes NO changes to any zoning regulations. Most of the work involved regularizing the numbering/lettering and positioning of headings and subsections so that each of ordinance's 20 articles (chapters) has the same organization, spacing, and paragraph indentations, making the document easier to read and search.

In January, Bridge Street Recovery, acting as agent for Joshi Hospitality Group, came before the Planning Board and the Zoning Board of Adjustment for a Site Plan Review of Tax Map 13, Lot 14 in the Commercial/Recreational Zone. After the Zoning Board of Adjustment approved a variance to allow transitional housing in the Commercial/Recreational Zone, the Planning Board reaffirmed the approval of the pre-existing plat for the subject property.

In December, the Planning Board approved the application of D. H. Hardwick and Sons, Inc. for renewal of the Excavation Permits for Map 11 Lot 16, at 301 Francetown Road, and Map 3 Lot 1, on Greenfield Road. The approval was subject to several conditions, which must be met by April 1, 2020. As of this writing (January 13, 2020), all of the conditions have been met.

Respectfully Submitted,

David McKenzie, Chair  
Sam Cohen, Vice Chair  
Luke Hardwick  
Mark Mackesy, *Ex-officio*  
Donald Trow  
Alex Mason, Alternate

## **BUILDING INSPECTOR / CODE ENFORCEMENT OFFICER**

As the Code Enforcement Officer, I am responsible for assuring all applications for building permits are processed in the order in which they are received. There is a process to which I follow, that process is to enforce the current New Hampshire State Building Code, consisting of: the International Building Code, International Residential Code for one and two family dwellings, International Plumbing Code, International Mechanical Code, International Energy Conservation Code, National Electrical Code and the Life Safety Code relative to means of egress.

I am required to address and/or investigate any and all issues or complaints being brought forward. At the conclusion of an investigation it is my job to determine if in fact a violation has occurred and to initiate the corrective actions for compliance.

In September 2019 the NH Legislature adopted the 2015 International Residential and Commercial Building Codes. With the changes to the Codes comes the need for me to continue education and training to enhance my knowledge and allow me to assist residents in making informed decisions regarding their development of projects.

A total of forty-four (44) permits were processed and issued for new homes, sheds, demolition, renovations, garage, decks, plumbing, electrical or mechanical.

I am currently serving my second year on the Board of Directors for the New Hampshire Building Officials Association (NHBOA), and am a member of the International Code Council (ICC).

In addition to my duties as Building Inspector and Code Enforcement Officer for the Town, I also hold a membership to the New Hampshire Health Officers Association (NHHOA) and serve our community as the Health Officer.

I look forward to continuing the various duties and responsibilities on behalf of the town and am available to assist residents any time by calling 603-562-6363.

Respectfully Submitted,

John Kendall  
Building Inspector  
Code Enforcement Officer

## HUMAN SERVICES

In 2019 the Welfare Department continued to work hard to maintain the budget while still addressing financial challenges faced by residents. We stayed within the approved budgeted dollars. When residents sought support, the Department was able to provide help to those families that qualified. Insufficient income, as a result of unemployment and/or under-employment, was the main qualifying circumstances.

Rent and heat were the most sought-after assistance. Whenever a homeowner receives assistance, a welfare lien will be placed on the property and recorded with the Hillsborough County Registry of Deeds. For those who do not own their home, their landlord will provide the Town with appropriate paperwork to validate rental agreements.

In addition to supporting the families in need, my responsibilities include, but are not limited to, identifying any State or community resources, assisting with employment applications and job search recommendations. There are clear guidelines and procedures for all applicants prior to their receiving any assistance.

It is with great appreciation I thank the Bennington Board of Selectmen for their continued support, compassion for residents and understanding when circumstances arise that are out of the ordinary. There are many wonderful local organizations and neighbors that have generously donated to our residents in need and they are all equally appreciated.

If you or someone you know is in need of assistance some great resources can be located through the following organizations:

NH Community Resources – 2-1-1  
Southern NH Services - 924-2243  
The River Center – 924-6800  
NH Department of Health and Human Services - 1-844-ASK-DHHS (275-3447)  
Monadnock Area Transitional Shelter 924-5033  
Grapevine – 588-2620  
Meals on Wheels – 352-2253  
Home Health Care Hospice & Community Services – 532-8353  
Contoocook Valley Transportation – 1-877-428-2882

I feel that working closely with applicants, providing them with additional resources and sometimes just being there to let people talk has proven to be advantageous to our community and the residents.

Respectfully Submitted,

Debra Davidson  
Human Services Director

## RECREATION COMMITTEE

The Bennington Recreation Committee is charged with organizing programs and events for residents year-round. Many of the events hosted by the Recreation Committee are free to participants. The Recreation Committee also sponsors outside groups who may charge a fee for membership and/or services.

Ongoing programs include ConVal Martial Arts, 4-H, and Girls Scouts. These programs meet in the Town Hall gymnasium and are open to both residents and non-residents. Membership fees are charged for participation in these programs. New members are welcome at any time throughout the year.

- 4-H: STEAM Engines Club - Thursday Mornings, Bennington 4-H Club - Days & Times Vary
- ConVal Martial Arts: Mondays at 5:15pm
- Girl Scouts: Sundays at 3:00pm

An Easter celebration for families was held in the Town Hall gymnasium and surrounding lawn area on April 14<sup>th</sup>. The Bennington Congregational Church co-sponsored the event. The celebration included games, crafts, snacks, and treat-filled Easter eggs. There was a petting zoo with live farm animals outside on the lawn.

The annual Andy Mackenzie Fishing Derby was held at Cold Spring Pond on April 27<sup>th</sup>. This event is hosted by the Bennington Sportsman Club and is open to Bennington residents ages 15 and under. Prizes were awarded to all fishermen.

Bennington Recreation Committee took on the planning and oversight of the annual Bennington Rhubarb Festival. The Festival was established in 2013 as a fundraiser for the Library Building Fund. The Friends of the Library have continued this fundraiser by holding a bake sale at the festival. Local teens from Avenue A helped to construct a performance stage at Sawyer Park to be used at the Festival. The 2019 Festival was held on June 2<sup>nd</sup>. The event is planned for the first Saturday in June each year.

Whittemore Beach was staffed with full-time beach attendants and lifeguards Monday through Friday. In addition to swimmer safety, staff are charged with light maintenance work including litter removal, raking, and overall upkeep of the beach area.

The Recreation Committee collaborated with the GEP Dodge Library staff for their Halloween party on October 25<sup>th</sup> held upstairs at Town Hall and included stories, games, and snacks for all participants.

A Town-wide Christmas celebration was held on December 1<sup>st</sup> thanks to collaboration with the Bennington Congregational Church. The afternoon included a petting zoo, story book walk, live nativity play, and a lighted truck & tractor parade. The Town Christmas tree was lit at the conclusion of the play. Residents enjoyed warm drinks and baked goods sold by Pierce School PTO, Girl Scouts, and Friends of the Library. Boy Scouts from Troop 2 sold wreaths for their annual fundraiser.

The Recreation Committee thanks the volunteers who make recreation activities in Bennington possible. New ideas and programs are always welcome.

Respectfully Submitted,

Bethany & Jim Craig  
Recreation Committee Co-Chairs

## SUPERVISOR OF CHECKLIST

As of this writing, there are 1084 registered voters in Bennington: 275 Democrats, 320 Republicans, and 489 Undeclared.

Today we turn to the subject of voter purging, which has been in the news quite a lot recently. It's important to understand how this works, as New Hampshire towns and cities are mandated to purge their voter rolls once every 10 years, in years ending in a 1. Thus, 2021 will witness a large drop in our voter numbers.

The voter checklist always has some "dead wood" on it: usually voters who have passed away or moved. Purging the voter rolls is a normal activity for local election officials, and is mandated by the Help America Vote Act of 2002. However, it is very important that it be done carefully and correctly, so as not to disenfranchise voters or discourage them from voting. There have been some serious problems with voter purges in other states recently.

For example, the Texas Secretary of State resigned in May of 2019 after legal proceedings revealed that a voter purge that he had initiated had used flawed methodology and disenfranchised thousands of Texas citizens. Despite the fact that the purge list was rescinded, many citizens had already been sent letters threatening to remove them from voter rolls if they could not produce three documents proving that they were citizens. Some of these voters were new citizens, who could easily have been intimidated by these letters.

This demonstrates how important it is to have a system that simultaneously works to update voter rolls when people move or pass away, while still ensuring that citizens who are eligible to vote are never prevented or intimidated from doing so. And there has to be a back-up plan: If a citizen is removed from the voter rolls by mistake, there must be a way for them to re-register, even if they discover the mistake when they come to vote. Fortunately, in NH, we have a system for this: Same Day Registration.

But even in states that do have Same Day Registration, there can be problems: A voter who doesn't realize that they have been purged may not come to the polls with all of the required documents to prove residency. Forcing busy citizens to jump through unforeseen hoops is another form of voter suppression. All of this could be prevented by adopting a Canadian style of registration: permanent voter lists, which are updated between elections using administrative data sources like taxation and motor vehicle registration to keep names and addresses of voters updated. Using this method, Canada has a 92% voter registration rate, and far more accurate voter rolls. Last time we purged our checklist in 2011, over 100 names were removed.

Voting is a right, not a privilege. Nowhere does it say that you have to vote in every election to keep your right to vote. Yet some states have "use it or lose it" requirements for voting. In the news recently is Georgia, whose "use it or lose it" law caused 107,000 voters to be removed in 2017 because they had not voted in recent elections. According to the Georgia law, voters who haven't voted in the previous five years are put on an "inactive" list. If these inactive voters do not vote in the next two general elections, their registration will be voided.

New Hampshire's 10-year voter purge also uses voter participation in federal elections to identify infrequent voters to send letters to, asking them if they still reside in Bennington. We do not have the intermediate step of putting voters on an inactive list. The big difference, though, is that we have Same Day registration to catch any mistakes made.

Next year, letters will be sent out to all voters who haven't voted in the last two general elections (2018 and 2020). Many of these will come back unforwarded. Voters who are still at their addresses will have plenty of time before the next election to let us know they are still in Bennington, as there is only one election in odd numbered years (Town Election in March).

Voters can look up their current voter information on the Secretary of State's Voter Information Lookup page: <http://sos.nh.gov/VoteInforLook.aspx>

Remember to come to the polls with your photo I.D. And if you are a new voter coming to register, be sure to bring something that ties you to your domicile: motor vehicle registration, drivers license, any other government or school I.D. with your residence on it, school enrollment forms, public utility bills, landlord agreements, real estate sales agreements, tax bills, an affidavit signed by the property owner where you live, or any other evidence that ties you to the place where you currently live. If you have recently moved and do not have these proofs, **YOU WILL BE ALLOWED TO VOTE** by signing an affidavit. Election officials in Bennington promise that we will do our best to make registering and voting as pleasant and painless as ever.

See you at the polls!

## **WATER/SEWER COMMISSIONERS**

### Water System Asset Management Program

The development of the Water System Asset Management Program (AMP) was completed and implemented. Final grant payment of \$20,000 was received from the State in August. Of the total cost of \$44,930 for the Water AMP the actual cost to the Town was only \$17,363 after taking into consideration \$7,567 of in-kind-service which included allowances for the Commission's some 266 hours and Town Staff's 26 hours of time billed to development of the Water AMP.

The biggest effort of the Water AMP was the development of the Water ArcGIS Online map of the Bennington Water System which includes all the well pump house, the water storage tank, buried distribution lines, fire hydrants, service connections including curb stores. The data in the Bennington GIS Water Map is used and maintained by the Antrim Water/Sewer Department with GIS assistance provided by Southwest Regional Planning Commission.

The inventory of water system vertical assets including but not limited to the well, pump house, storage tank, and the Route 47 Telemetry Vault were input in the EPA CUPSS Program. However, the CUPPS data on assets, O&M work tasks and financial information as pertaining to the Water System is not being used by the Town. The Town needs to investigate better ways of managing all the data related to the operation and maintenance of the Bennington Water System. Town should be able to apply lessons learned from the development of the AMP for the Sewer System to the management of Water System.

### Sanitary Sewer Asset Management Program

As a follow-on to the Water AMP effort, NHDES approved Bennington for a \$30,000.00 forgiveness loan to develop a Sewer System AMP. Final approval from the State was obtained in October. The Sewer AMP is being jointly developed with Antrim, thus the total State funding for this joint effort is \$60,000. Antrim and Bennington each have separate contracts with Underwood Engineering for most of the AMP development work and Southwest Regional Planning Commission for ArcGIS Online Sewer Map support. The kick-off meeting including all parties and NHDES was held on November 13, 2019. The Sewer AMP is scheduled to be completed by November 2020.

The Bennington Sewer system includes about 38 manholes, about 30 8-inch collection lines for total length of about 1.3 miles, about 95 6-inch service connections for a total length of about 0.3 miles, the Starret Road Pump Station and the 1.6-mile-long 6-inch force main to Antrim.

Operation and Maintenance of the Antrim Wastewater Treatment Facility (WWTF) costs are split between the two Towns in accordance with a 1983 Contract between the two towns. This is roughly a split of 75% to Antrim and 25% to Bennington. Actual costs to Bennington are based on the quarterly Bennington flows as measure by flow meters at the Starret Road Pump Station and the Paper Mill Pump Station compared to total measured flow to the Antrim WWTF. In 2018 Bennington paid Antrim \$33,400 for the Bennington sewage pumped to the Antrim WWTF. Forecast for 2019 is about \$38,000. In addition to these operational costs, Bennington is responsible for 25% of and any plant capital costs over \$2,500. To cover these potential capital costs, Bennington has a contingency reserve fund as maintained by the Antrim Water/Sewer Department of approximately \$41,000 to cover Bennington's share of future capital improvements.

The Antrim Sewer Collection System includes buried collection lines, manholes, and two Pump Stations. This is fully maintained the AWSD.

Operation and Maintenance of the Bennington Sewer Collection System includes buried collection lines, manholes, one Pump Station, and one force main to Antrim MH #7. The Paper Mill has its own sewer pump station which discharges in to the 6-inch force main that runs from Starret Road Sewer Pump Station down past the Mill, crosses under the river and then down along Route 202 to Antrim's sewer Manhole #7 for processing at the Antrim WWTF and final discharge into the Contoocook River.

The Sewer AMP will include the development of an ArcGIS Sewer GIS map of Antrim/Bennington Sewer System including the WWTF. This GIS Map is to include inventory of the vertical assets such as pump stations and WWTF equipment along with financial data all system assets. This Sewer GIS Map will include scanned documents such as drawings, O&M Manuals, photos, maintenance records, etc. All this data will be accessible by desk top computers, computer tablets, or smartphones via the internet.

#### Antrim Water and Sewer Department (AWSD) O&M Charges to Bennington

AWSD quarterly charges Bennington for the services provided to operate and maintain the Bennington Water and Sewer Systems on an hourly basis.

These services for the water system includes daily inspection of the water well pump house, monthly water sampling, taking quarterly meter readings , spring and fall hydrant flushing, and other additional services as may be required such repairing leaks, turning service connections on and off, addressing power outages, etc.

The AWSD services for the sewer system including inspection of Starret Road Pump Station three or more times a week, maintenance to the sewer pumps, repair to sewer manholes and other services to maintain the sewer system components.

In October AWSD suggested to the Bennington Selectmen increasing the hourly charge rate from \$50.00 per hour to \$85.00 per hour. At a joint meeting on January 10, 2020, after some negotiations between the Bennington Selectmen and the AWSD a new charge rate of \$79.00 per hours was agreed upon. This new rate will be effective for all AWSD services provided to Bennington on and after January 1, 2020.

#### Water and Sewer Billing Rate Study

As part of the Water AMP effort, the Town worked with the Granite State Rural Water Association (GSRWA) to develop updated billing rates for both water and sewer. The Rate Study was based on billing data provided by the Town and input from GSRWA. The suggested new water and sewer billing rates were reviewed and approved by the Bennington Selectmen in November and will go into effect January 1, 2020 for all services provided after that. The new billing rates as approved by the Selectmen are shown in the below table with estimated revenue based on 2018 billed volumes of water.

Bennington Water/Sewer Department Water/Sewer Rate Analysis Rates Effective July 1, 2010			New Rates
Base Quarterly Charges	OLD	Effective July 1, 2010	PROPOSED January 1, 2020
Minimum Metered Water Charge	\$21.92	\$24.75	\$20.00
Minimum Metered Sewer Charge	\$33.81	\$40.55	\$20.00
<b>Water</b>			
0 - 5,000 gallons	Rate/1000 gallons	\$4.38	\$4.95
5,001 - 10,000 gallons	Rate/1000 gallons	\$4.11	\$4.64
10,001 - 20,000 gallons	Rate/1000 gallons	\$3.30	\$3.73
20,001 - 30,000 gallons	Rate/1000 gallons	\$1.74	\$1.97
30,001 - 40,000 gallons	Rate/1000 gallons	\$1.74	\$1.97
40,000 - 50,000 gallons	Rate/1000 gallons	\$1.74	\$1.97
50,000 gallons plus	Rate/1000 gallons	\$1.46	\$1.65
<b>Sewer</b>			
0 - 5,000 gallons	Rate/1000 gallons	\$6.76	\$8.11
5,001 - 25,000 gallons	Rate/1000 gallons	\$4.88	\$5.86
25,001 - 50,000 gallons	Rate/1000 gallons	\$4.06	\$4.87
50,001 - 100,000 gallons	Rate/1000 gallons	\$3.23	\$3.88
100,000 gallons plus	Rate/1000 gallons	\$2.44	\$2.93
<b>Water Revenue/Forecast</b>		<b>\$58,032</b>	<b>\$80,004</b>
<b>Average Water Bill/Forecast</b>		<b>\$264</b>	<b>\$364</b>
<b>Sewer Revenue/Forecast</b>		<b>\$33,187</b>	<b>\$43,518</b>
<b>Average Sewer Bill/Forecast</b>		<b>\$332</b>	<b>\$435</b>

Accounts with high water usage will see the largest billing increases. The net rates will provide the Town with an estimated additional \$32,303 of revenue. As a matter of comparison, if the Antrim water and sewer billing rates were applied to Bennington accounts the increase would be about \$179,000. Thus far the Town of Bennington has done a pretty job keeping water and sewer costs under control.

The rate increases reduced the funding coming out the Town's general account to cover the cover the capital, operational and maintenance costs of the water and sewer system which are not covered by the revenues from the water and sewer users.

The Town Tax Collector is to have these rates incorporated into the water/sewer billing software so that the April 2020 billings will be based on these new rates.

#### Water System Operations and Maintenance

The major maintenance done on the water system in 2019 was the Water Storage Tank Inspection done in July and repair to the Well Pump VFD due to lighting damage done in September.

The water tank inspection report indicated several maintenance repairs that need to be made to the water tank. The Town needs to develop a scope of work on what repairs are to be done and sent out for bids.

Other noted repair work to be done in 2020 is the building repairs to be made to the Well Pump House. Town is to arrange for these repairs to be made by the contractor that performs repairs to other Town Buildings.

#### Sewer System Operations and Maintenance

Some work had to be done on the two sewage pumps at the Starret Road Pump Station, otherwise there was not much other work performed on the Bennington Sewer Collection System in 2019.

Only significant identified repair work to be completed on the Sewer System in 2020 is about \$5,000 of work to be done to the top of sanitary sewer manholes on Routes 47 and 31 in preparation of paving work to be performed by the State on those two routes through Town.

#### Other Items to be Addressed in 2020

- Work with Antrim to review the 1983 Sewer Contract between the two town.
- Work with Antrim to review and update the 2007 Well Sharing Agreement
- Review and Update the Bennington Water/Sewer By-Laws
- Update the Water/Sewer Emergency Response Plan
- Perform further investigation into upgrading the water meters to have radio reading capabilities
- Start long range planning for second water source

The Water & Sewer Commissioners meet at 4:30 PM on the first Monday of each month. You are requested to make an appointment should you have any issue which you may wish to discuss.

Respectfully Submitted,

David Beck - Chair  
Richard Reed  
Dennis McKenney  
Water Sewer Commissioners

## **CEMETERY TRUSTEES**

During 2019, the Cemetery Trustees continued to focus on preserving and maintaining the Town cemeteries in order to preserve the history contained within the cemeteries walls and to keep the cemeteries in a respectable manner so individuals can visit their loved ones who have passed.

This work has included cleaning markers and making repairs to markers. We ask all residents to help keep the cemeteries as a place to remember and visit those who have passed. We have seen attempts to clean markers. Many of these markers are old and fragile. Improper cleaning with the wrong tools or materials can and have permanently damaged markers. If you would like to learn how to clean markers properly, please contact the Cemetery Trustees and we will teach you.

The cemeteries are not a place for recreational activities such as sledding, flying kites, or playing baseball.

The Cemetery Trustees would like to thank George Chicoine for his hard work this year mowing and caring for the cemeteries. They look beautiful and we greatly appreciate his attention to detail. Lastly, thank you to Steve Carson for his care and services during families' difficult time of need.

Respectfully Submitted,

Karen Belcher  
Joshua Segal  
Melissa Clark  
Bethany Craig, Alternate

## **BENNINGTON HISTORICAL SOCIETY**

The Bennington Historical Society has been busy focusing on our latest project of designing and making plans to build a gazebo on the corner of Route 31 and Main Street. Plans are being made with our local general contractor and, if all goes well, the construction may start late spring. The property has been cleared and electricity has been installed on the property. As a fundraiser for this project the Society plans the installation of a brick walkway which will surround the gazebo. The cost is \$50 for each brick; an Order Form follows this report. The purchaser chooses the inscription; popular choices are family names, wedding dates and names, memorial of loved ones, including pet names and date, etc. Contact the Historical Society by telephone or e-mail with any questions you might have. Sadly, David Glynn is not here to witness this project coming to life which was his goal since the Historical Society started in 1984; he is still a big part of this project.

The Historical Society participated in the Rhubarb Festival this past June. This was a great celebration for the Town and provided a wonderful opportunity to display and sell our history books and souvenirs.

Summer programs were scheduled by Molly Eppig. Knowing that this was Monadnock Paper Mills 200<sup>th</sup> anniversary she was able to schedule two guest speakers representing the Paper Mill who spoke about their history 'Past and Present.' There was so much to learn about the Mill and it is so interesting to learn what the Mill processes besides printing paper.

The Museum will be open this summer from Saturday, May 30<sup>th</sup> to Saturday, October 10<sup>th</sup>, from 10:00 a.m. to 1:00 p.m. Please come by to visit. Contact us at 603-588-4871 or e-mail [bhs@basicisp.net](mailto:bhs@basicisp.net).

The Bennington Historical Society is in the planning stages of building a gazebo at the corner of Main Street and Greenfield Road. One of the phases of this project is to have a brick walkway and surround the gazebo with brick. This commitment entitles whom ever to purchase a brick or bricks to inscribe on the brick purchased. The cost is \$50.00 for each brick. Funds will be to support the construction of this gazebo. If interested please complete the form below, mail to the address above along with your check. Thank you.

## ENERGY COMMITTEE

The Bennington Energy Committee (BEC) was established in 2010 with the charge to help the Town find ways to save energy and thereby save money. A secondary objective is to help the Town's residents save energy. The vision of the BEC is to find ways for the Town to cut energy costs by 50% by 2020. The BEC will examine all aspects of Town energy use, including both indoor and outdoor usage.

At the end of 2018 the Committee was working in two areas, considering whether solar power is feasible for the Town and inventorying the Town's indoor lighting.

Having completed the lighting audit, in 2019, the Committee recommended replacement of the fluorescent lights on the main floor of the Town Hall with LED's. At the end of the year, the Select Board voted to make this replacement. Other replacements were rejected because the payback of the expense of the replacement would be long because the use of the building or room lighting was low compared to the main floor of the Town Hall. Nevertheless, fluorescent tubes in the main bay of the fire station and the basement of the library have been or will be replaced following safety audits of Town buildings by the State and by the Town's insurance company.

There are two possible routes to saving money with solar power. The first is for the Town to have a solar array to supply power to Town buildings and to use net metering to return excess generated energy to the energy supplier (currently Eversource). The Committee is working with Revision Energy to judge the feasibility of this approach. The second possibility is for the Town to lease a "brown field" such as the capped landfill to a company that will build a solar array and supply power to the utility via net metering. The Town would derive revenue both from the lease and from property tax on the installed solar array. This approach may or may not be feasible, but several energy suppliers expressed some interest at a Brightfields event last summer.

# Community Volunteer Transportation Company

— Transportation for Everyone —

Creating, coordinating and delivering transportation solutions  
for the Monadnock Region.

January 21, 2020

Bennington Select Board and Budget Committee  
7 School Street  
Bennington, NH 03442

Happy New Year ~

I am following up my August correspondence requesting **town support for \$500**, with updated service statistics for the 2019 calendar year.

Overall, CVTC registered 3,336 rides and drove 97,587 miles for 309 individual riders from 29 out of 34 towns in the Monadnock region. 85 Volunteer Drivers donated 5,129 hours for a value of \$ 76,935. In 2019, we received funding from 20 towns.

## **Bennington 2019 Service Statistics**

**We received 137 ride requests from 8 Bennington residents.  
15/137 rides did not take place because no driver selected the ride.**

**Volunteer Drivers logged in 3025 miles and  
donated 177 hours of service for a value of \$2655.**

**0 Volunteer Drivers live in Bennington.**

**Drivers from other towns help cover Bennington rides.**

**0 residents took wheel chair vans, covered by CVTC.**

Town funding represents \$14,500 (6%) of this year's operating budget of \$230,687. 43% of the budget is federal dollars. The remaining 57% is raised from individuals, businesses, foundations and municipalities.

If further information is needed, please contact me at my direct line 821-4081 or email to [ellen@cvtc-nh.org](mailto:ellen@cvtc-nh.org). Thank you for your consideration.

Sincerely

Ellen A. Avery  
Executive Director

P.S. Having a pool of Volunteer Drivers from each town is ideal. Please contact me to discuss how we might work on recruiting more Volunteers.
